

The Singing Waiters Pasta Dinner

Why donate?

Donating your products and services to the YVHS Choirs Singing Waiters Pasta Dinner and Auction is not only a meaningful way to support community youth – **it's a great way to advertise your products and services to local residents!**

Not only will your business be acknowledged to the approximately **300 residents** attending the event, your artwork/logo/coupons/advertising will be **added to the printed program** distributed, and **featured on the home page of our website**, located at <http://www.yvhschoirs.org>, for a minimum of a month. During the period before and after our frequent performances, the website receives approximately **80 individual, unique visitors a day!**

What kind of items are auctioned? In the past, we've auctioned many unique items, including:

- ▶ Pest Control Services
- ▶ Landscaping Services
- ▶ Sailing on the Bay
- ▶ Gift Baskets
- ▶ Student Musical Instruments
- ▶ Piano Entertainment for your Event
- ▶ Gift Certificates to Restaurants and Stores

Your generous donation is a fund raiser for our choral music program. The profit we make on auction item sales goes directly toward the purchase of instructional materials vital to the operation of our groups, including music, workbooks, performance uniforms, sound reinforcement equipment and other necessities that allow us to provide basic and enhanced instruction and performing experiences.

As we are part of a public, non-profit agency, all donations that you make to us are tax-deductible.
